Statement of Confidentiality

Top Hex absolutely respects the confidentiality of all clients and potential clients.

Any knowledge regarding the client's business, either commercial or technical, is stated in confidence. Any knowledge gained is treated on a need to know basis within Top Hex and our associates.

Top Hex commit not to use any knowledge gained to damage the interests of the client, promote the interests of a competitor to the client, or make gains at the expense of the client.

In return, Top Hex expect that these principles are reciprocated by the client.
